California State Fair

One of the many things your chaplains do each year is serve at the California State Fair. We had 52 chaplains serve this year for a total of 718 hours. Yes, that's us in our special gold shirts. What do we do at the fair you might ask? Our main purpose is to find lost kids (and lost parents) and get them back together again. But we also visit with fair-goers and those working at the fair and, of course, we serve our State Fair Police officers and staff.

SEE YOU THERE NEXT YEAR!!
